English

Niš-Ekspres is a Serbian transportation company based in the city of Niš. It was founded on March 3, 1951. The company's primary activity is passenger transportation on urban, intercity, and international routes. At the time of its founding, the company had only 10 worn-out trams and 7 old buses, while today it operates the fleet of around 400 vehicles. Since October 2024, the company has also been providing public transportation services in Belgrade on lines 56 and 56L.
