

Mercedes Citaro Facelift (Kajot)

STIB – PRIDE Liveries VERSION

Creation by Cree'

Here is a detailed document of all the liveries included in the Citaro Facelift pack created by Kajot.

The recommended gearbox is the OM457 6HP602.

Important note: you will need the O530 Facelift DLC on Steam!

Overall summary of the pack:

9036

9043

9036

This livery was seen in 2024, during the month of June, which is PRIDE month. On this occasion, STIB repainted a bus to represent the LGBT+ community.

9043

This livery was seen in 2024, during June, which is PRIDE month. On this occasion, STIB repainted a bus to celebrate the LGBT+ community.

Thank you for reading this document, I hope you enjoyed learning a bit more about the liveries!
Feel free to let me know if any information should be added to the document.
Don't hesitate to contact me on the WebDisk in case of any errors!

And enjoy the ride with these buses!"**
