# Introduction

This repaint was conceived to make tribute to the **EVA Transportes Mercedes-Benz O 407** buses that came to this operator between the late 1990s to the mid-2000s. EVA Transportes is owned by the Barraqueiro Group since the company was privatised from Rodoviária Nacional in 1992 (it was the first to be so). This repaint is for one of the classics from **Perotinus**, the Mercedes-Benz O 407 from 1993. This livery was used by EVA Transportes from 2005 to 2012, and follows the standard livery of other Barraqueiro Group operators.

This repaint pack uses, unlike the real versions, the single-piece windshield screen.
