Introduction & content

This repaint for ALTerr's/Wizard's/Helvete's Mercedes-Benz O 530 Citaro Facelift makes tribute to the real-life Citaro FLs used by the Transportes Colectivos do Barreiro, purchased in 2009, likely being one of the few companies [besides Carris, SMTUC, STCP and ETG Gondomarense] to purchase these Citaro buses brand new in Portugal.

These buses still operate in their original colours and logo, even after the change of the logo of the company, which occurred in 2016.
