Introduction & content

This repaint for Sven Daniel's Mercedes-Benz O 530 Ü FL Citaro is based upon the real-life Barraqueiro Sto. António's Mercedes-Benz O 530 LE MÜ used by the Barraqueiro Group-controlled company [number 538], purchased secondhandly from Germany in 2017.

This repaint tries to incorporate much of the design themes, although it is partially fictional, since the company doesn't have any 12m Citaro Ü FL.

This repaint is for the EF version of that modded bus.
