Introduction & content

This repaint for Pedro's Mercedes-Benz O 405 Camo is based upon the real-life Scania Camo Camus operated by Transcolvia from the 2000s.

The logo of Transcolvia, the company operator of public transportation in the Portuguese city of Viana do Castelo, however, is not a exact reproduction, but is still very close to the buses operated by the company.

This repaint is for the Camo Camus version of the bus.
